Sonoma State University  
Santa Rosa City Schools

## SUMMER OPPORTUNITY! BECOME AN EXCEL HIGH SCHOOL TEACHING ASSISTANT!

Do you: Like working with children? Need credit towards community service hours?  
Want to build a resume for college?

The EXCEL High School Teaching Assistant Program needs high school volunteers to work as assistants to our instructors. If you are a motivated and accomplished high school student **entering grades 11-12** (fall 2026) you can apply for summer 2026.

The experience counts as community service hours towards graduation and also helps build a college resume.

All NEW teaching assistants will need to attend a 45 minute training via Zoom on May 20 or 21, 2026 from 4:00pm-4:45pm  
This time will automatically be added to your community service record.

High School Volunteer Teaching Assistants for the EXCEL for Youth Program at SSU will support the faculty and staff of EXCEL with students during classes and breaks.

**THIS YEAR WE WILL BE AT SONOMA STATE UNIVERSITY IN ROHNERT PARK**

**DEADLINE: MONDAY, MAY 11, 2026**

Apply early. Positions are filled in the order in which they are received.
